

Curriculum Vitae

Daniel Moon

Qualifications

MB,BS (Hon) Monash University, Victoria
December 1996

FRACS (Urology) Royal Australasian College of Surgeons
January 2006

Academic Awards and Scholarships

2006

- AMS travelling scholarship
(to enable further training in the placement of urologic prostheses)

2004

- *Marshall Prize* for clinical research (Monash Medical Centre)
For paper titled:
Feasibility of early catheter removal following radical prostatectomy
- *Alban Gee Prize* at Urological Society of Australasia Annual Scientific Meeting for best poster presentation.
For paper titled:
The impact of trans-urethral prostate surgery on the morbidity of I-125 seed brachytherapy

1998

- *Sir Gordon-Taylor Prize* for 1st place Australia and New Zealand in RACS First part MCQ examination

1996

Ranked 1st place out of 172 students completing MB,BS at Monash University

Academic Prizes:

- *The Alfred Hospital Residents and Graduates Association Prize*
- *The Australian Medical Association Prize*
- *The Sir Edward Hughes Medal for surgery*
- *CIBA-GEIGY Prize*
- *The Royal Australasian College of Physicians State Committee Prize for clinical medicine*

- *The Harry Hindlip-Green Scholarship in medicine*

1993

- Awarded *AMA Medical Officer of Health prize* for health promotion project with greatest community impact

Current Appointments: 2006-

Visiting Medical Officer:

Monash Medical Centre
Centre rd, Bentleigh 3165

Royal Melbourne Hospital
Grattan st, Parkville 3052

Consultant Urologist:

Epworth Hospital
Bridge rd Richmond, 3121

Cabrini Hospital
Wattletree rd Malvern, 3144

Masada Private Hospital
Balaclava rd, East St Kilda, 3183

The Avenue Hospital
The Avenue, Windsor, 3181

Previous Appointments

2005:

Laparoscopic urology fellow

To: Mr Christopher Eden
North Hampshire Hospital, UK

2004:

Urology registrar

Monash Medical Centre, Vic

2003:

Urology registrar &
Senior surgical registrar

Alfred Hospital, Vic

2002:

Urology registrar

Ballarat Base Hospital, Vic

2001:

General surgery registrar

**Frankston Hospital, Vic
North West Regional Hospital,
Tasmania**

2000:

Senior house officer

Alfred Hospital, Vic
Terms: Cardiothoracic surgery
General surgery,
- The Angliss Hospital,
Ferntree Gully, Vic
- North West Regional
Hospital, Tasmania

Oct-Dec 1999:

House officer

Royal Children's Hospital, Vic
Term: Paediatric surgery

1998:

House officer

Alfred Hospital, Vic
Terms: Orthopaedics
Intensive care
Neurosurgery
Emergency

1997:

Intern

Alfred Hospital, Vic
Terms: Emergency
Cardiology
Vascular Surgery
Urology

Additional Sub-specialty courses attended:

- Extraperitoneal laparoscopic/robotic assisted surgery, Dr J Joseph, AUA annual scientific meeting, April 2009, Chicago, USA
- Single port and natural orifice laparoscopic surgery workshop, Dr J Kaouk, AUA annual scientific meeting, April 2009, Chicago USA
- Advanced laparoscopy workshop, Mr I Gill, Mr B Guilloneau AUA annual scientific meeting, May 2006, Atlanta, USA
- Certification in greenlight laser prostatectomy, North Hampshire Hospital, UK, December 2005
- Laparoscopic extra-peritoneal renal surgery (live animal lab), Mr C. Eden, Versailles, France, March 2005
- Principles of laparoscopy, Mr F Keeley and Mr P Rimmington, BAUS conference, Glasgow, UK 2005
- Laparoscopic nephrectomy (dry lab) Mr D Murphy, RACS skills lab, Melbourne, Australia 2004
- Hand access laparoscopic training seminar (live animal lab), Professor D. Albala, Melbourne, Australia, 2003
- Emergency Management of Severe Trauma (EMST) course, Melbourne, Australia, 2000

Involvement in Scientific meetings/workshops

Convenor of scientific meeting:

- Urological Society of Australia and New Zealand Annual Scientific Meeting, Gold Coast, 8-12 March 2009
- Urological Society of Australia and New Zealand, Victorian Section, Annual Scientific Meeting, 24-6 October 2008

Convenor of workshop:

- Male incontinence workshop, Monash Medical Centre, June 23, 2008
- Urological Prosthetics workshop, Royal Melbourne Hospital, April 27, 2007

Invited participation as faculty:

- 9th National Prostate Cancer Symposium, Melbourne, August 2008
- 8th National Prostate Cancer Symposium, Melbourne, August 2007
- 7th National Prostate Cancer Symposium, Melbourne, August 2006
- Laparoscopic radical prostatectomy demonstration, Mr C. Eden, Eindhoven, Holland, May 2005
- Laparoscopic extra-peritoneal renal surgery (live animal lab), Mr C. Eden, Versailles, France, December 2005
- Intra-operative instillation of Mitomycin C for superficial bladder cancer, North Hampshire Hospital, Basingstoke, UK, December 2005
- Procedural skills workshop for General Practitioners Royal Australasian College of Surgeons, Melbourne, February 2006, July 2006

Presentations at scientific meetings:

Robotic-assisted laparoscopic bladder diverticulectomy: initial experience

Urological Society of Australia and New Zealand Annual Scientific Meeting, March 2009

Initial results with the Advance male sub-urethral sling

Laparoscopic approach to vesical fistula repair

Victorian State Meeting, Yarra Valley, October 2008

Applications of lower urinary tract laparoscopy

Laparoscopic renal surgery: the retroperitoneal approach

Urological Society of Australia and New Zealand 61st Annual Scientific Meeting, Hong Kong, China, February 2008

Implementing a laparoscopic radical prostatectomy programme: Optimising Outcomes

Extraperitoneal upper tract laparoscopic urologic surgery

8th National Prostate Cancer Symposium, Melbourne, August 2007

Laparoscopic radical prostatectomy: the learning curve

Urological Society of Australia and New Zealand 60th Annual Scientific Meeting, Adelaide, Australia February 2007

Laparoscopic radical prostatectomy

7th National Prostate Cancer Symposium, Melbourne, August 2006

Laparoscopic radical prostatectomy: the learning curve

Laparoscopic renal surgery: the retroperitoneal approach

Applications of lower urinary tract laparoscopy

Victorian State Meeting, Shepparton, October 2006

Laparoscopic radical prostatectomy – oncological results at 3 years in the first 100 UK patients

World Congress of Endo-urology, Amsterdam, The Netherlands, 23-26th August 2005

South Thames Urology Meeting, Royal Surrey County Hospital, Guildford, UK, 18th October 2005

The impact of prostate size on laparoscopic radical prostatectomy

British Association of Urological Surgeons Annual Scientific Meeting, Glasgow, UK, 27 June- 1st July 2005

A prospective non-randomised comparison of open vs laparoscopic radical retropubic prostatectomy

British Association of Urological Surgeons Annual Scientific Meeting, Glasgow, UK, 27 June- 1st July 2005

Feasibility of early catheter removal following radical retropubic prostatectomy

Victorian State Meeting, Mt Eliza, October 2004

- *Awarded 'Marshall Prize' in surgical training, Monash Medical Centre*

The impact of trans-urethral prostate surgery on the morbidity of I-125 seed brachytherapy

Victorian State Country Meeting, Beechworth, 10-12 October 2003

Urological Society of Australasia, Annual Scientific Meeting
Newcastle, 7-11 March 2004

- *Awarded 'Alban Gee Prize'*

Results of Extracorporeal Shockwave Lithotripsy in a rural setting

Victorian State Country Meeting, Lancemore Hill, 17-20 October 2002

The egg-shell sign: an additional prognostic indicator in the management of prenatal hydronephrosis

The Royal Australasian College of Surgeons, Annual Scientific Congress
Melbourne, 7-12 May 2000

Urological Society of Australasia, Annual Scientific Meeting
Sydney, 19-24 March 2000

Ureterocystoplasty: New Options

Urological Society of Australasia, Annual Scientific Meeting
Sydney, 19-24 March 2000
